Dear Ladies and Gentlemen:

It is with great pleasure that we present to you the 2024 Berea Municipal Court Annual Report as required by O.R.C. 1901.14. This report is our 66th such Annual Report. The content of this report includes data assembled by Clerk of Court Joseph C. DeMio and the Berea Municipal Court Community Control Department. The following are highlights for the year 2024:

Our Traffic/Criminal Department opened a total of 8,215 cases. These cases consist of 6,322 traffic cases, 1,244 criminal misdemeanors, 312 felony cases and 337 OVI (Operating Vehicle Under the Influence).

The Civil Department processed 3,625 new cases which is a 16.47% increase over 2023. These cases consist of 2,489 civil cases with a maximum limit of \$15,000 by statute, 698 small claims cases with a maximum limit of \$6,000 and 438 eviction cases. In addition to these civil cases, the Clerk of Courts Office processed 1,318 wage garnishments and 351 bank attachments on cases previously adjudicated.

The Berea Municipal Court continues its relationship with the Attorney General of Ohio (AGO) for collecting outstanding Court costs and fines from defendants. In addition to working with defendants who agree to payment arrangements, the Court forwards uncollectable cases to the AGO for assistance with recovery. Since forming this partnership in late 2020, the AGO has recovered nearly \$883,583.00 from delinquent defendants.

SECTION FIVE

COMMUNITY

CONTROL

2024 COMMUNITY CONTROL DEPARTMENT OVERVIEW

The Berea Municipal Court Community Control Department provides a variety of services to the court and the offenders referred for monitoring. As directed by the Judge, an offender may be referred for a pre-sentence investigation. The Court uses these PSI reports to determine the appropriate sentence with the goal of minimizing the recidivism of the offender and protecting the public. The department staff monitors offenders' compliance with the Court's required sentence and aid offenders in completing these requirements. In addition to the monitoring of sentenced offenders, the Community Control Department monitors the bond conditions of high-risk offenders with the use of Continuous Alcohol Monitoring (CAM), Global Position Tracking (GPS) technology and Pre-Trial Supervision.

The Community Control Department staff oversees four Diversion Programs. One such program is the Substance Abuse Intervention In lieu of Conviction (SA/ILC) Program. This program targets offenders in need of substance abuse treatment when their use of drugs and/or alcohol were the primary contributing factor that led to the charge(s). This program has a minimum duration of one year, so cases referred are scheduled to graduate in the following calendar year. The second program, called the Theft Diversion Program, targets specific intervention programming to participants to prevent, eliminate, or reduce the rate of recidivism among the offenders and promote the collection of restitution to the victim(s). The third program, called the DUS Diversion Program, assists the offender in obtaining a valid driver's license. Lastly, the First Offender Program works with low-risk, non-violent, first-time offenders to educate each participant on the effects of their actions and to prevent them from reoffending.
