2003 Probation Department Report

The Probation Department has a staff of six serving at the pleasure of the Judge. The Probation Officers supervised, as directed by the Court, approximately 2,671 defendants/probationers during 2003. In addition, the Probation Department monitored at least 1,950 probationers attending various Alcohol Anonymous meetings.

At the direction of the Judge, two new programs were introduced in the Probation Department: DUS Diversion Program and The First Offenders Diversion Program. Since its inception in April, 2003, the DUS Diversion Program has helped over 230 defendants reinstate their driver's license. The First Offenders Program, as authorized by section 2935.36 of the ORC, gives defendants the opportunity to amend their behavior and avoid having a conviction record and prevent recidivism.

The Chief Probation Officer speaks at the 72 hour Drunk Driving Program once a month and during the aftercare program of the outpatient alcohol program. She also conducts a discussion group for probationers charged with public indecency, which involved 22 defendants in the year 2003.
